Responsibilities: Represent Leader Corps* at campus job fairs and other relevant events, post fliers, and share the program details via social media. *Details below.

Benefits: Résumé-worthy experience with a reference from the CEO of 6th Power, plus \$200 for each referral who enrolls.

WHAT IS LEADER CORPS?

A ground-breaking three-week program in Peru, June 15 – July 6, 2017, designed in partnership with 6th Power and Rustic Pathways to help rising college seniors and recent college grads take what they've learned in school and apply it to the professional world.

Receive individual feedback from top executive coaches as you identify possible career paths that are right for you, and hone the professional skills you need to be successful, all while exploring one of the most beautiful countries in the world, immersing yourself in local culture, and engaging in meaningful community service work.

WHY LEADER CORPS?

Top execs from the world's crème-de-la-crème brands say the majority of students do not graduate from colleges and universities with the tangible skills they need to excel in the professional world. You've invested in high school, you invested in college, but it still seems like you're not quite ready for the "real world." Close the gap with Leader Corps. In three short weeks you will:

- Receive one-on-one executive coaching from top executive coaches, both in session and post session.
- Develop your personal brand and create a killer résumé and LinkedIn profile to get recognized by top employers.
- Identify your strengths and passions so you can find (and win!) the job that's right for you.
- Gain confidence as you master critical interview, presentation, and networking skills.
- Receive (three) one-hour sessions with a Mentor Legend (top corporate executive from a Fortune 500 company) to receive professional guidance and feedback.
- Make lasting friendships while developing your personal and professional mission.
- Join the Leader Corps and Rustic Pathways Alumni networks.
